**BETON POMPA KATALOŽU**  
CONCRETE PUMP CATALOGUE

**Dear Sir or Madam, ,**

**We are Europe's largest manufacturer of construction machinery spare parts.**

We are proud to present our high-performance solutions for truck mixers, carriers, and concrete batching plant equipment.

This catalog reflects not only our product portfolio but also our engineering strength, advanced production capabilities, and our leading position within the industry. At the core of our manufacturing philosophy lies a commitment to durability, high performance, and operational efficiency. Every component we produce is engineered to withstand the most extreme field conditions and is manufactured in compliance with strict international quality standards.

Through continuous investment in technology, R&D and production automation, we ensure that our products consistently deliver superior performance and long service life. Our wide product range offers fully compatible, long-lasting and high-precision spare parts for various brands and models, guaranteeing maximum reliability and uninterrupted operation for our customers worldwide.

Beyond manufacturing, we aim to create long-term value. We do not simply produce spare parts; We build trust, strengthen partnerships and deliver sustainable solutions that support the growth and continuity of our business partners.

We remain committed to excellence, innovation and customer satisfaction in every step of our production and service processes.

Kind regards,

## Çevre ve Sürdürülebilirlik

Üretim yaklaşımımızın merkezinde sürdürülebilirlik yer alır. Transmikser, taşıyıcı ve beton santrali yedek parça üretiminde; çevresel etkileri minimize eden teknolojiler kullanır, enerji verimliliğini ve kaynakların etkin kullanımını önceliklendiririz.

Gelişmiş üretim altyapımız ve mühendislik gücümüzle, karbon ayak izimizi azaltmaya yönelik çözümler geliştirirken, sürdürülebilirliği tüm operasyonlarımızın ayrılmaz bir parçası haline getiriyoruz.

## Environment & Sustainability

Sustainability is at the core of our manufacturing approach. In the production of truck mixer, carrier and concrete batching plant spare parts, we utilize technologies that minimize environmental impact while prioritizing energy efficiency and responsible resource management.

With our advanced production infrastructure and engineering expertise, we continuously develop solutions to reduce our carbon footprint and integrate sustainability into all our operations.

## HAKKIMIZDA

Ulmet İş Makinaları Sanayi ve Ticaret Limited Şirketi olarak, iş makinaları ve transmikser yedek parça sektöründe yüksek kalite, dayanıklılık ve performans odaklı üretim yapmaktayız. Ağır çalışma koşullarına uygun geliştirdiğimiz ürünler ile operasyonel verimliliği artırıyor, müşterilerimize sadece ürün değil aynı zamanda güvenilir bir çözüm ortaklığı sunuyoruz.

ISO 9001, ISO 14001, ISO 45001 ve ISO 10002 standartlarına uygun üretim süreçlerimizle kaliteyi tüm aşamalarda sürdürülebilir bir yapı haline getiriyoruz. Tasarımdan üretime, sevkiyattan satış sonrası desteğe kadar her adımda müşteri memnuniyetini önceliklendiriyoruz.

## ABOUT US

Ulmet Machinery Industry and Trade Limited Company operates in the heavy machinery and concrete mixer spare parts sector with a strong focus on high quality, durability and performance-oriented production. By developing products designed for demanding operating conditions, we enhance operational efficiency and provide our customers not only with products but also with a reliable engineering partnership.

Our production processes comply with ISO 9001, ISO 14001, ISO 45001 and ISO 10002 standards, ensuring that quality is embedded sustainably at every stage. We prioritize customer satisfaction across all processes, from design and manufacturing to logistics and after-sales support.

Gelişmiş üretim altyapımız ve esnek imalat kabiliyetimiz sayesinde farklı ihtiyaçlara hızlı çözümler üretiyor, global pazarda rekabet gücümüzü sürekli artırıyoruz. Sürdürülebilir üretim anlayışımız ile çevreye duyarlı, verimli ve yenilikçi bir yaklaşım benimsiyoruz.

Hedefimiz; iş makinaları ve yedek parça sektöründe güven, kalite ve mühendislik gücü ile uluslararası ölçekte tercih edilen bir marka olmaktır.

**ULMET**

With our advanced production infrastructure and flexible manufacturing capabilities, we deliver fast and tailored solutions to diverse needs while continuously strengthening our competitiveness in the global market. Our commitment to sustainable production reflects an environmentally conscious, efficient, and innovative approach.

Our goal is to become a globally recognized brand in the heavy machinery and spare parts industry, distinguished by trust, quality and engineering excellence.
